

# SBARC Anacapa Island Trip

## Sunday March 21

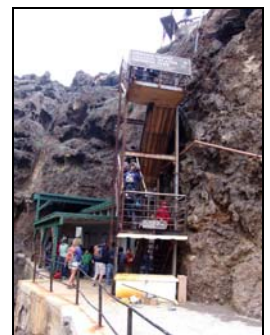

Fundraiser for K6TZ Club Station!

Join members and guests of SBARC on our first outing to Anacapa Island Sunday March 21. You will be treated to a personal tour by Ken Owen, N6KTH who works on Anacapa in the Channel Islands National Park.

We will travel by boat from Oxnard in the morning and return in the late afternoon. Enjoy Anacapa's scenic and historic highlights, and bring an HT for the great radio coverage!

The cost is \$65 per person, part of which will benefit the K6TZ Club Station. Contact Ken ([n6kth@n6kth.com](mailto:n6kth@n6kth.com) or 805-448-5726) to RSVP.

Anacapa Island provides scenic hiking opportunities on mostly flat terrain, but visitors to the island must initially climb a steep staircase to the island mesa. The steps are not recommended for everyone.
