

CONSTRUCTION NIGHT

Last Updated on February 29, 2011

CONSTRUCTION NIGHT is held every Thursday at the Club Station from 7:30pm to 9:30pm.

Work on your project or learn as others work on theirs!

Visit this site often to see what's planned and what the status is on current projects.

Rod Fritz, WB9KMO
Construction Coordinator

PLANS FOR THURSDAY, MARCH 3

Last Updated on February 29, 2011

Tell me in advance what you want to work on, so we can have resources available.

FOR SALE: ATV equipment will be for sale on a first come, first served basis. If you have questions, contact me at wb9kmo@sbarc.org.

AGENDA - This is what we plan to do on this CONSTRUCTION NIGHT...

1. **TECHNICAL ELMERING NET** – Check in and monitor the net; describe what we're doing
2. **TOOLS AND TEST EQUIPMENT** – Describe the construction resources at the Club Station and elsewhere
3. **ATV SHOPPING GUIDE** – Describe what is recommended to receive and transmit ATV in the Santa Barbara area
4. **2.4 GHZ TX/RX TESTING** – Test WaveCom Jr/Sr ATV transmitters and receivers (some are for sale)
5. **2.4 GHZ TX/RX MODS** – Describe improvements; help attendees install the mods (parts are for sale)
6. **PLAN NEXT WEEK** – Discuss what attendees need; plan what to work on next time

"Make it happen!"

Rod Fritz, WB9KMO
