

Celebrate National Astronomy Day

Saturday, April 24

DAY

10:00 AM–5:00 PM

All-day Cosmic Fun
throughout the Museum

Celebrate National Astronomy Day with the Museum and the Santa Barbara Astronomical Unit! Enjoy hands-on activities, play with robots, build your own Galileo scope, check out astronomy artwork, take home free resources for teachers, and watch planetarium shows.

All activities free with paid Museum admission (except planetarium shows).

MEMBERS ARE ALWAYS FREE!
